## PHYSIO + SPORTS MEDICINE

<b>Job Title:</b>	Physiotherapist
<b>Organisation:</b>	Coast Sport
<b>Start Date:</b>	Late 2016 / Early 2017
<b>Work Type:</b>	Part time / Full time
<b>Salary:</b>	Based on experience and qualifications
<b>Location:</b>	Central Coast Mariners Centre of Excellence, Tuggerah

### Job Description:

#### Roles & responsibilities include:

- Provide Physiotherapy consultations in a collaborative interdisciplinary private practice environment
- Collaborate with a range of healthcare and medical professionals regarding patient care
- Contribute to the growth and development of the practice through participation in marketing activities and continuing professional development

#### Opportunities include:

- Work in a brand new clinic of a rapidly growing, evidence based interdisciplinary practice on the Central Coast with access to sporting fields, pool and gym
- Utilise a large (100m<sup>2</sup>) exercise rehabilitation space including high quality exercise equipment and training tools
- Work with professional and amateur sporting teams across a range of sports including swimming, netball, soccer, basketball, track & field, surfing, dancing and crossfit
- Work in a collaborative team environment with integrated client care including Physiotherapists, Sports Physicians, Medical Specialists, Exercise Physiologists, Massage, Podiatrists and Dietitians
- Strong support of continuing professional development

#### Requirements:

- AHPRA registration
- APA membership
- Professional indemnity insurance (\$10,000,000)

**Preferred experience:**

- >1-2-years clinical experience
- Previous experience may include
  - Sports teams and athletes
  - Amateur sportspeople
  - Orthopaedics
  - Older people
  - Blue and white collar workers and occupational health
